

Engineering and Technology @GMIU

In the course of engineering from diploma to PG running in Gyanmanjari Innovative University, an attempt is being made to provide the best education by covering important aspects like skill based education and start-up and innovation according to the new education policy with a curriculum not according to the current industrial demand and with an approach like flipped class room, project based learning. With the latest learning approach, students are being imparted education along with human values making them globally competent and self-reliant. With more than 538 different industrial affiliations, best placements, internships and practical exposure compared to theory, students get real engineering study. By such study, the student can move forward in the right direction by developing a proper understanding of the present need. Every year and semester since 2015, the university has become famous at the Gujarat level for its results, start-up, research, achievements in the field and socially useful projects. Excellent infrastructural facilities, best faculties, mentorship program, master mind, club activity and various competitions held at national and international level and options like IEP, students have progressed. Along with the UG degree, students will be given an excellent opportunity to advance in trending courses such as cyber security, artificial intelligence and data science, robotic animation with the aim of gaining more expertise in their field in the university. B group students are also given the choice of courses like Food Technology and Bio Technology as an option to make a better career in the field of engineering.

Program we offer:

Faculty of Engineering & Technology				
Program	Level	Duration	Fees	Genius
Civil Engineering	Diploma	3	18750/-*	+15000
Mechanical Engineering	Diploma	3	18750/-*	+15000
Information Technology	Diploma	3	18750/-*	+15000
Electrical Engineering	Diploma	3	18750/-*	+15000
Computer Engineering	Diploma	3	18750/-*	+15000
Chemical Engineering	Diploma	3	18750/-*	+15000
Civil Engineering	UG (B.Tech.)	4	35000/-*	+15000
Mechanical Engineering	UG (B.Tech.)	4	35000/-*	+15000
Electrical Engineering	UG (B.Tech.)	4	35000/-*	+15000
Computer Engineering	UG (B.Tech.)	4	35000/-*	+15000

Bio Technology	UG (B.Tech.)	4	35000/-*	+15000
Structural Engineering	PG(M.Tech.)	2	35000/-*	-
Construction and Project management	PG(M.Tech.)	2	35000/-*	-
Machine Design	PG(M.Tech.)	2	35000/-*	-
Manufacturing Technology	PG(M.Tech.)	2	35000/-*	-
Electrical Vehicle Technology	PG(M.Tech.)	2	35000/-*	-
Artificial Intelligence and Data Science	PG(M.Tech.)	2	35000/-*	-
Computer Engineering	PG(M.Tech.)	2	35000/-*	-
VLSI and Embedded System	PG(M.Tech.)	2	35000/-*	-
Computer Vision and Image Processing	PG(M.Tech.)	2	35000/-*	-
Cyber Security	PG(M.Tech.)	2	35000/-*	-
We have also provide minor degree (Cyber Security and Digital Forensic, Computer Vision and Image Processing, Artificial Intelligence and Data Science, Robotics and Automation, Construction Technology and Management, Electrical Vehicle Technology, Manufacturing and Technology, Automotive Technology) – Fees 10,000/- per minor degree course				

***FEES ARE SUBJECT TO VARY AS PER FRC GUIDELINE**

Eligibility criteria:

Course	Durations	Eligibility
Diploma Eng.	3 years	Candidate must have passed 10 th standard exam with Mathematics, Science and English proficiency from Gujarat Secondary examination board or its equivalent with minimum 55% marks or candidate who have pass 10 th standard and two years valid certificate course of NCVT/GCVT/TEB/ITGR are also eligible.
B.Tech.(UG)	4 years	50% marks at an average in 10+2 level with Mathematics, Physics, and Chemistry/Biology as a compulsory subject. The admission approaches of B.Tech. Engineering recollect the marks scored through the applicants with inside the JEE Mains, JEE Advanced, GUJCET, NEET and different front Exams.
M.Tech.(PG)	2 year	Candidates who have completed their B.Tech degree with a valid score in GATE are eligible for M.Tech degree course.
