1. Introduction:

The degree of Doctor of Philosophy (Ph.D.) is awarded by the Gyanmanjari Innovative University (GMIU) for high academic achievement and independent research. The basic requirement of research is creative and productive inquiry.

Upon completion of the Ph.D. program, a non-optional research thesis will be required, as well as course credit requirements at the discretion of the University.

A candidate who fulfills the requirements shall be awarded the Doctor of Philosophy (Ph.D.) degree of Gyanmanjari Innovative University.

2. Eligibility criteria for admission:

The Gyanmanjari Innovative University (GMIU) has categorized the Ph.D. candidates into two types, Full Time and Part Time. The following sections define the required qualification for all the two categories.

The candidate aspiring admission for Ph.D. must satisfy the below-mentioned educational qualification specified as:

- a) A 1-year/2-semester master's degree programme after a 4-year/8-semester bachelor's degree programme or a 2-year/4-semester master's degree programme after a 3-year bachelor's degree programme or qualifications declared equivalent to the master's degree¹ by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed.
- b) or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of the educational institution.
- c) Candidates who have completed the M.Phil. programme with at least 55% marks in aggregate or its equivalent grade in a point scale wherever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority,

established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit or assure quality and standards of educational institutions, shall be eligible for admission to the Ph.D. programme.

- d) A relaxation of 5% of marks, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC (non-creamy layer)/differently-abled categories of candidates. Economically Weaker Section (EWS) and other categories of candidates as per the decision of the Commission from time to time.

1/ Necessary documents to be provided by the candidate and will be verified by the Research Council (RC).

3. Procedure for admission:

Admission to the Ph.D. programme shall be made using the following methods:

- a) Performance in the Ph.D. Entrance Test to be conducted by Gyanmanjari Innovative University & fulfillment in the subsequent Interview.
- b) The Entrance Test syllabus shall consist of 50% of research methodology and 50% shall be subject specific.
- c) Students who have secured 50 % marks in the entrance test are eligible to be called for the interview.
- d) A relaxation of 5 % marks will be allowed in the entrance examination for the candidates belonging to SC/ST/OBC/differently-abled category, Economically Weaker Section (EWS), and other categories of candidates as per the decision of the Commission from time to time.
- e) The selection shall be evaluated in the ratio 70 (written test): 30 (interview). Minimum of 50% overall marks is required to be eligible for admission to Ph.D. programme.
- f) A relaxation from Ph.D. Entrance Test for those students who qualify UGC-NET (including JRF)/UGC-CSIR NET (including JRF)/SLET/GATE/teacher fellowship holder or have passed M.Phil.

programme. Relevant document is required for the exemption in the entrance test.

- g) The students admitted to the Ph.D. program will be required to register in the university. The registration will be renewed every stage on satisfactory progress.
- h) After registration, the candidate will be termed as a research scholar.

4. Scholarship / Financial Assistance

- a) The scholarship may be awarded to meritorious students for doing Full-time Ph.D. as per University rules and regulations.
- b) Part time and sponsored research scholars shall not be awarded any research fellowship/ assistantship by the University.
- c) Other financial assistance will be governed as per University rules and regulations.

5. Duration of the Programme

- a) Ph.D. Programme shall be for a minimum duration of three years, including course work, and a maximum duration of six years from the date of admission to the Ph.D. programme.
- b) Extension beyond the above limits will be governed by the relevant clauses as stipulated in the Statute/Ordinance/Regulations of the university. In such cases Provost or Nominated person will be the final authority.
- c) The women candidates and Persons with Disability (more than 40% disability) maybe allowed a relaxation of two years for Ph.D. in the maximum duration. In addition, the women candidates may be provided Maternity Leave/Child Care Leave once in the entire duration of Ph.D. for up to 240 days.

6. Course Work

6.1 Course work Credits

- a) The Credit requirement for the Ph.D. coursework is a minimum of 12 credits, including a “Research and Publication Ethics” course as notified by UGC vide

D.O. No. F.1- 1/2018(Journal/CARE) in 2019 and a research methodology course. The Research Advisory Committee can also recommend UGC recognized online courses as part of the credit requirements for the Ph.D. programme.

6.2 Course work Subjects

The course work shall include at least three courses, namely

- a) A minimum 4-credit course on research methodology (may include quantitative methods and computer applications) or a course proposed by the RC (for those who have studied a similar course on Research Methodology at PG level).
- b) A minimum 3-credit professional/technical course related to the department /faculty of the research scholar. (if not offered by any Department, its syllabus to be proposed by the allocated supervisor and approved by RC)
- c) A minimum 3-credit professional/technical course related to the research field of the scholar. (if not offered by any Department, its syllabus to be proposed by the allocated supervisor and approved by RC)
- d) A scholar, who has completed his/her bachelor and master program in regional language other than English, will have to undergo university level audit course in the English language.

6.3 Course Work Rules

- a) The process of registration in the course work, examination, evaluation and grading shall be same as followed according to PG programmes and it will be governed by the examination section.
- b) Only those candidates who successfully complete the course work within one year of admission and with a minimum CGPA of 6.00 on 10.00-point scale shall be allowed to continue the Ph.D. programme.
- c) Courses may also be prescribed from those offered by university other than that in which the research scholar is registered. No change in courses prescribed shall be made without the approval of the RC.

- d) If research scholar who secures less than 6.00 CGPA, will be given another chance for repeating one or more of the courses or for taking an alternative course (to be identified by the RC) to obtain the minimum percentage of marks. If the research scholar fails in the second attempt to secure 6.00 or more CGPA, his/her registration will be cancelled. However, giving this chance arises only if all the course work can be completed within the extended period of six months over the maximum time limit of one year.
- e) Every research scholar will be required to submit a research proposal, duly recommended by the Supervisor (s), after successful completion of the course work.
- f) In case the proposal is rejected by the RC, research scholar may resubmit it within next six months from the date of the meeting of RC, failing which his/her admission will be cancelled.

7. Evaluation & Assessment

- Research scholar must submit bi-annual Research Progress Report (RPR) in prescribed format. RAC will evaluate the progress of the research scholar and forward to the RC for approval.
- Every RPR will be considered for partial fulfillment of the award of the Ph.D. degree.
- On achieving a satisfactory level for the award of the Ph.D. degree, RAC will evaluate pre-synopsis.

7.1. Synopsis submission

- Prior to the submission of the synopsis, the scholar shall have approval of at least 5 RPR from RC. The presentation is open to all faculty members and other research scholars. The feedback and comments obtained from them may be suitably incorporated into the synopsis before submitting.
- All research scholars shall write their synopsis in English language. Research scholars can submit synopsis covering relevant points of the research work carried out as per format given by university.

- The candidate shall submit two soft bound copies and one soft copy of the synopsis along with Synopsis submission fees to the university.
- If the RAC is satisfied about the quality of the work and considers it fit for submission as a Ph.D. thesis, it will send its recommendation to competent authority along with two soft bound copies and one soft copy of the synopsis.

7.2. Thesis Submission for Initial Evaluation

- The research candidate shall be required to submit FOUR soft bound copies of Ph.D. thesis within 6 months of RAC recommendation for submission of thesis.
- In case a candidate fails to submit his thesis within the stipulated time and has suitable justification for the same, the RC grants an extension in time. Research Council may allow the extension of maximum for six months.
- If the research scholar fails to submit a thesis within the extended period by RC, research scholar ceases to be a research scholar.
- Research scholar has to publish (Accepted) at least TWO research papers (excluded literature survey papers), from the list of Science Citation Index (SCI-indexed), ABDC, SCOPUS-indexed, Thomson Router listed journals after the peer-review or has one patent granted.
- It is desired that research scholar should file a patent as the first researcher before the submission of the thesis for evaluation.
- Format of the thesis should be as per the university norms.
- Similarity check index is required as per the UGC norms.

8. Final Defense and Thesis Submission

- A notification will be published on GMIU website regarding open invitation to attend the research work presentation of the scholar.
- During the viva-voce, research scholars must present their thesis.
- Research scholar has to satisfy the comments given by the reviewers during the final defense.

- A Research Scholar must submit FOUR copies of the upgraded thesis (incorporating all suggestions/corrections) to the RC after completing the defense

9. Research ethics

- The highest ethical standards are expected from research scholars while undertaking their research. Academic dishonesty should be taken extremely seriously, resulting in disciplinary actions for research scholars and supervisors.
- In order to be considered for evaluation, the thesis must contain an undertaking from the research scholar as well as a certificate from the supervisor attesting to the originality of the research work, stating that there is no plagiarism, and that the work has not been submitted for any other degree or diploma at the same institution where it was done, or at any other institution.

10. Category of Admission

Research Scholar will be admitted to Ph. D. Program under following categories:

a. Ph.D. through Full Time Mode: A Candidate willing to pursue Ph. D. in full time category will carry out the research activity within the campus under the supervision of respective Research Supervisor on full time basis. Attendance record of such research scholars will be maintained at the Institute Level

b. Ph.D. through Part-time Mode

- Ph.D. programmes through part-time mode will be permitted, provided all the conditions stipulated in these Regulations are fulfilled.
- The candidates who are professionally employed may be admitted as Part Time Research Scholars. These candidates may meet supervisor regularly at the University for Guidance for their research work. The applicant must be a regular employee of a recognized R&D organization, national institute, academic institution, government

organization or industry at the time of admission and be engaged in professional work in the discipline in which admission is sought.

- “No Objection Certificate” from the appropriate authority in the organization where the candidate is employed, clearly stating that:
 - ✓ The candidate is permitted to pursue studies on a part-time basis.
 - ✓ His/her official duties permit him/her to devote sufficient time for research.
 - ✓ If required, he/she will be relieved from the duty to complete the course work.

11 Payment of Tuition & other fees:

- A research scholar admitted to any of the Ph. D. Programmes in the University shall be required to pay the tuition fees and other fees as prescribed from time to time for all the terms from the registration to the date of submission of thesis.
- A Ph.D. registration will be automatically canceled if fee is not paid for three consecutive terms.
- On the university website, a notice of the deadline for fees payment will be posted one month in advance. After deadline, he/she have to pay fee along with penalty fee decided by the university as per rules.
- No request for the fees refund shall be entertained

Gyanmanjari Innovative University follows all norms of UGC as and when published by UGC and changes in above regulations will be made accordingly
